

2012 Indiana Structural Engineers Association Conference Exhibitor Registration Form

Primo South Conference Center
2615 E. National Avenue
Indianapolis, IN 46227

March 1st, 2012

Please join the Indiana Structural Engineers Association for its 4th Annual Conference. This exciting event will be held at the Primo South Conference Center in Indianapolis, Indiana on March 1st, 2012.

As was the case at last year's conference, we are expecting a considerable turnout. We have included many events to give our exhibitors and sponsors ample opportunity to network with our members. This is an excellent opportunity to interface and present your products to the structural engineering community from the Indiana, Illinois, Ohio or Kentucky areas. Please make plans to join us!

This year's conference will be held at the same venue as last year and will be similar in format and setup.

Your booth registration includes the following:

- **A 10' x 10' booth space with a 30" x 8' table and access to electricity. Vendors are requested to bring their own booth setups if they require more than the table provided**
- **2 Vendor Representatives at the 2012 ISEA Conference**
- **Continental Breakfast & Lunch Buffets**
- **All conference literature, including a mailing list of all conference attendees**
- **All vendors will be given an opportunity to present their company's products or services during the conference. Vendor display area will be immediately adjacent to the lecture room and will be integral with the dining space to provide maximum exposure for our vendors throughout the conference**

******Booth Registration******
